Annual Report 2025

Northwind grew revenue in every segment during the year. Retail demand was strong in the second half, and lower input costs lifted the operating margin across the group.

- Revenue rose to 1,450 million.
- The operating margin improved to 14 percent.

Year	Revenue	Margin
2024	1,200	12%
2025	1,450	14%
